## International Studies Major

"Wearing traditional Korean clothing at a traditional Korean folk village and verifying again 10 years later that it will be 3/4 hours of unnecessary scratching and sweating. At least it's cute and not neon green and highlighter pink this time (thanks mom and dad)!"

## Ask Me About...

- 1) Being a first-generation college student and financial aid recipient and still making study abroad happen!
- 2) How to overcome homesickness!
- 3) Staying busy abroad (travel, research, volunteer, internship)!
