Course Title	UCI School or Department Comments
Introductory Physics 1 and Introductory Physics 2 - Courses must be calculus-based	Fulfills one year of physics lecture and lab requirement for the School of Biological Sciences majors and Pharmaceutical Sciences majors.

I am aware that course offerings at the host institutions fluctuate and that it may be necessary to adjust my courses accordingly. Also, I understand that my major department has final authority over what courses taken abroad fulfill any degree requirements and that will ultimately be determined after I return from EAP by my Academic Counselor.
