

Study Abroad Course Comparison Worksheet

Instructions: Find the courses offered on your study abroad program and compare them to the [UCI courses or requirements](#) for your major/degree. List courses that appear to be rough equivalents based on course titles, descriptions, and levels (i.e. upper or lower division). Use this list as you complete your School's course approval process.

Program name:		
UCI Course or Requirement <small>(e.g. upper div major course, GE category IV)</small>	Equivalent Abroad Course Title	Equivalent Abroad Course Description

Study Abroad Course Comparison Worksheet

Program Name: <u>King's College (Fall 2021)</u>
